

Martingale Collar Fact Sheet

FEATURES

Size Adjuster

Collar length can be adjusted to suit a range of neck sizes.

Webbing

Premium nylon webbing, woven from quality fine yarn for a softer feel. Densely woven edges for maximum abrasion resistance. Exceeds ISO standards 105-C03 & 105-B05 for washing and UV colour fastness.

Design Ribbon

Special weaving techniques, including 'back binding' prevents loose threads and produces a durable, abrasion resistant ribbon. To enhance lustre and brightness of colours, only full light yarn is used.

D-Ring

Solid stainless steel D-ring will not rust. Welded for strength.

Control Loop

Reinforced with stainless steel, this helps to prevent dogs from backing out of their collar. Especially useful in small head breeds such as Greyhounds and Whippets.

Splice Cuts

Webbing ends are finished with a 20° angle cut for a superior looking and comfortable product.

Reflective Ribbon

Designed to ensure pets are visible in bad weather and at night, ribbon shines brightly in car headlights.
